

Tea Monkey: Fairtrade policy

In line with its Policy on sustainability Tea Monkey is committed to supporting, promoting and using Fairtrade goods.

To achieve this Tea Monkey will maintain Fairtrade status, as defined by the Fairtrade Foundation (www.fairtrade.org.uk), and thus commit itself to the 5 goals as laid down by the Foundation:

1. Fairtrade foods are available for sale in all our outlets. Where this is not possible, we are committed to begin using Fairtrade foods in these establishments as soon as it becomes possible to do so.
2. Fairtrade foods (for example, tea and coffee) are served at all meetings hosted by Tea Monkey.
3. The process of maintaining Fairtrade status is co-ordinated by Tea Monkey's management team. This team will prepare and oversee the implementation of an action plan to maintain Fairtrade status across the Tea Monkey estate.
4. The Fairtrade Steering team will organise the publicity for Fairtrade Fortnight and other promotions of Fairtrade products on an ongoing basis to ensure awareness-raising is maintained in all Tea Monkey outlets.
5. The Fairtrade Steering team will send a yearly report on 'Fairtrade at Tea Monkey' to the Tea Monkey Board and to the Fairtrade Foundation in order to maintain our Fairtrade status.
